We are starting to implement a new project “Latvian language with pleasure – 3”!

The Innovation Support Centre has launched a major project called “**Latvian language with pleasure - 3**”. The project is intended to involve persons third-country nationals* who will be able to learn the Latvian language for free (120 hours), and will also be able to participate in interesting conversational language clubs. 70% of them will be able to take the national language proficiency test in the National Educational Content Centre (VISC) for free.

Latvian language courses can be applied for in the Russian Federation, Belarus, Uzbekistan, Kazakhstan, etc. citizens of third countries from 13 years of age who have received the right to reside in the territory of Latvia, and persons in need of international protection (refugees, persons granted alternative status and asylum seekers).

The Latvian training courses are set at six levels – A1, A2, B1, B2, C1, C2. All four Latvian language skills – listening, reading, writing and speaking – will be developed at each level. Training will be suitable for people from different ages, so that not only with diverse approaches and interactive learning of Latvian, but also prepare third-country nationals for professional skills (VISC test). During Latvian language courses and conversation clubs, childcare services will be provided (as needed).

Venue of Latvian Language Courses and Talking Language Clubs: Aspazijas Boulevard 24, Riga. It is also possible to organize in other places in Latvia (on request).
